ABOUT US

COMPANY OVERVIEW

Zibo Junhui Plastic Co., Ltd. is a professional manufacturer specializing in plastic pallets and hollow sheet (corrugated plastic) products. The company is located in Zibo City, Shandong Province, China, a region known for its strong industrial base and convenient logistics infrastructure.

With years of manufacturing experience and modern production equipment, our company focuses on providing durable, cost effective, and environmentally friendly plastic logistics solutions for global customers. We are committed to maintaining stable product quality and competitive pricing while continuously improving production efficiency and customer service.

Our products are widely exported to markets in Asia, Europe, the Middle East, Africa, and South America, serving industries such as warehousing, logistics, food processing, pharmaceuticals, agriculture, electronics, and manufacturing.

Our factory operates with modern injection molding and extrusion production lines. Strict quality control procedures are implemented from raw material selection to final product inspection to ensure consistent performance, durability, and reliability.

We continuously improve manufacturing processes to provide products with excellent load capacity, impact resistance, and long service life, meeting the requirements of international logistics and industrial applications.
